STIPULATION AND ORDER FOR CONTINUANCE OF CASE MANAGEMENT CONFERENCE
USDC NDCA No. C054193 CRB
238263.1

STIPULATION

Pursuant to this Court's Local Rules 6.2 and 7.12, this stipulation for continuance of the Case Management Conference is made by and between plaintiffs The United States Life Insurance Company and American General Assurance Company on the one hand, and defendants Ronald H. Jones (sued herein as Ron Jones) and Pacific A&M on the other, by and through their counsel of record and is based on the following facts:

1. On August 4, 2006, counsel for the parties appeared before this Court at the Case Management Conference. At that time, based on the discussion with the Court and between counsel, the Court set a further Case Management Conference for September 15, 2006, giving the parties additional time to exchange documents and see if they can settle the matter on their own.

2. Since the time of the August 4, 2006, Case Management Conference, the parties have discussed settlement on their own, without engaging in private mediation. Counsel met in person to discuss their positions and are continuing to exchange documents. By continuing the Case Management Conference to November 3, 2006, the parties should be able to complete their assessments and settlement discussions.

IT IS HEREBY STIPULATED BY AND THROUGH THE PARTIES' COUNSEL OF RECORD THAT:

The Case Management Conference currently set for September 15, 2006, shall be continued to November 3, 2006.

SO STIPULATED.

Dated: September 8, 2006
